Relaxation Services

massage and spa

The Hotel offers massage and spa services, which can be booked for any convenient time – right after check-in, before dinner, or before you retire for the night. Be sure to book early, as services are provided by outside specialist therapists.

MASSAGE

Shiatsu massage

60min. ¥ 8,800

90min. ¥ 13,200

The massage is performed by highly skilled and experience therapists. Your therapist will ask you about any symptoms you are experiencing and gently ease any stiffness from your muscles. The massage will help you shed the fatigue of everyday life, and in the morning you will wake feeling light and refreshed.

(Last booking 22:00)

*The massage will be performed on the bed in your room. *All prices inclusive of tax.

SPA

Treatments

Enjoy completely manual treatments using natural oils from Parisian brand Yon-Ka. Experienced therapists assess the condition of your skin and apply the appropriate treatments, enhanced with essential oils, to provide a truly relaxing sensory experience. Long-established therapeutic practices and a high degree of expertise bring visible benefits to skin, mind and body.

About YON-KA

Established half a century ago in France, the Yon-Ka brand has a loyal following in over 50 countries and on every continent around the world. Developed by botanists, primarily with a therapeutic aim, Yon-Ka products use more than 130 different plant and fruit extracts and marine active ingredients, and are filled with the bounty of nature.

Yon-Ka treatments are based on five essential oils – lavender, geranium, rosemary, cypress and thyme – harvested around the world in carefully selected locations and at specific times of year, and grown entirely without the use of chemical fertilizers. Care tailored to your skin's individual needs and condition addresses the root cause of any problems to deliver pure wellness.
