

Hiramatsu – Japan’s leading luxury restaurant and hotel group

Our history began in 1982, with the small French restaurant with twenty-four seats in Nishi-azabu, Tokyo.
Today, we operate more than twenty-five restaurants, ryotei, cafés and seven hotels around Japan, all centering on French, Italian and Japanese cuisine.
Through our forty years of history, we have established an unrivalled reputation as a restaurant and hotel brand.

Restaurant & Ryotei: 21 locations **Cafe:** 4 locations **Hotel:** 6 locations

PAUL BOCUSE HAEBERLIN POURCEL PHILIPPE MILLE

In last two decades, we have established friendships and partnerships with great chefs such as the late Paul Bocuse, Marc Haeberlin, Jacques & Laurent Pourcel and Philippe Mille.
